

ExisQCI

Manufacturers Representatives

www.am.renesas.com

The number one global supplier of microcontrollers, and a leader in Analog & Power and SoC products. Renesas provides expertise, quality, and comprehensive solutions for a broad range of Automotive, Industrial, Home Electronics, Office Automation, Information and Communication Technology applications.

Distributors: Arrow, Avnet, DigiKey, Future, Mouser

A Renesas Company

www.intersil.com

Power Management IC solutions for battery management, processor power management, and display power management, including power regulators, converters, and controllers, as well as fully integrated power modules

Precision analog components such as amplifiers and buffers, proximity and light sensors, data converters, optoelectronics, video decoders, and interface products

Distributors: Arrow, Avnet, DigiKey, Future, Mouser

www.artesyn.com

Artesyn Embedded Technologies is a worldwide and leading supplier of standard, modified standard and custom AC and DC power supplies from 1 watt to 24,000 watts.

Distributors: Arrow, Avnet, DigiKey, Mouser, Newark, Sager, WPG

usa.tianma.com

Tianma America, Inc. A leading provider of small to medium size display solutions to the Americas, utilizing cutting edge technologies from Tianma Micro-electronics and Tianma Japan, Ltd., coupled with state-of-the-art manufacturing resources of the Tianma Group, TMA offers a comprehensive range of Liquid Crystal Display (LCD) products and associated technologies. Products include passive character and monochrome, as well as TFT and LTPS-TFT LCD products, with standard product sizes ranging from 1-inch to 21.3-inch and resolutions from QVGA to QSXGA for standard 4:3 aspect and from WQVGA to HD for wide aspect. The company offers leading edge display technologies including SFT/IPS, transfective, PCAP touch, high bright, 3D and more.

Distributors: Arrow, Avnet, Edge, Future and WPG Americas

global.kyocera.com

Kyocera Circuit Solutions, Inc.

PCB facility in Nigata, Japan, specializing in advanced technology, 14 to 60 layers, HDI, back-drilling, impedance controlled, fine line & pitch: blind, buried and micro vias, high aspect ratio, front-end engineering support, ISO9002 certified. Only Deming quality winner in PCB industry.

SANYO DENKI

www.sanyodenki.us

Japan's oldest manufacturer of motorized fans for cooling electronic equipment. Providing high reliability, high performance, dual ball bearing fans. **Sanyo Denki** provides a wide fan product offering including standard fans, fan tray assemblies, customized solutions and joint development projects with customers.

Distributors: Arrow, Mouser, Newark, PUI, Sager

www.sonicmfg.com

The only regional **turnkey contract manufacturer** located in the Silicon Valley that provides "Tier 1" capabilities with the highest quality of service in the industry. "The best materials management in the industry." Ultra fast prototypes and front-end engineering support.

www.dawar.com

Dawar is a turn-key solution provider of projected capacitive and resistive touch screen solutions and custom product enhancement and integration services for the medical, industrial, instrumentation, military, aerospace, in-vehicle controls, POS/Kiosk and marine markets.

Distributors: Arrow, Avnet and Future

www.nationalpower.com

Custom lithium ion / nickel metal battery packs. **National Power** utilizes the highest quality lithium battery cells in their custom packs.

www.synaptics.com

Premier developer of human interface solutions for Smartphones, Tablets, Notebooks and digital devices. Our next-generation touchscreen interfaces allow people to interact with devices in ways they never imagined would be possible.

www.inventeksys.com

Inventek Systems Inc. is a US-based IoT platform solutions company providing Wi-Fi, BT/BLE, Wi-Fi+BT/BLE and GPS/GNSS antenna certified modular solutions.

Distributors: Arrow, Avnet, Digi-Key, Future, Macnica, Mouser, Texim and Melchioni in Europe

www.eleceltek.com

Elec & Eltek International Company Limited ("Elec & Eltek") is one of the global leading manufacturers of conventional, as well as technology advanced high density interconnects (HDI), backplane printed circuit board (PCB) up to 50-layer. Quick-Turn Around (QTA) service is also available with short delivery lead time.
